## Ficha viaje

### Barcelona Pyrenees

We will make 8-days trip (ninth day to come back by plane) and enjoy a balanced journey among nature, sea and monumental cities. Barcelona, Zaragoza and the main cities of Catalonia and the Pyrenees are waiting for us, to tell the history of the first colonizers: the Roman Empire and the Ancient Muslim and Christian kingdoms. We will get to know the Mudejar art created by the Muslims who remained in the Christian kingdoms. This art recalls eastern constructions. Pyrenees is the most spectacular mountain range in Spain. We will go through it and feel the scents and magnificent views it offers.

Costa Brava is famous for its beautiful beaches and cliffs. The proposed route combines nature with history and art in a balanced way.

On our trip we will visit 6 monumental and two natural sites declared World Heritage.

Please, don't limit yourself to this offer. If you wish to ask for any further conditions or preferences during your trip, don't hesitate to contact us, we will be pleased to help you.
